## HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

Division 3 held its annual election of officers last night.

Division 4 will hold its election of officers next Monday evening.

The Ladies' Auxiliary of Indianapolis is to take a most active interest in the Irish Republic bond drive.

The ten divisions of the Ladies' Auxiliary of Marion county had a big joint initiation last Sunday at Indianapolis.

The latest tabulations show Division 5 leading in the San Francisco membership contest. A sensational finish is assured.

The Ladies' Auxiliaries of St. Paul are increasing their membership. Their social evenings are popular and largely attended.

The membership drive between the nine San Francisco divisions continues with unabated interest, and each week hundreds are placed upon the rolls.

Division 3 of Rome, N. Y., gave a delightful Thanksgiving day reception and dance to the men of the order who have been in the service of the army and navy.

The success of the San Francisco campaign has resulted in starting similar drives in all parts of the United States. With 1,000,000 members as the objective for next year.

Three divisions at St. Joseph, Mo., will hold a class initiation at St. Patrick's Hall on December 18. An effort is being made to bring into the order all men eligible to membership.

The County Board degree team initiated a very large class for Ladies' Auxiliary 6 at St. Paul. An entertainment and refreshments followed the work, the meeting being very successful from every point.

National President Deery and Mrs. Ellen Ryan, Molly of the Ladies' Auxiliary, delivered addresses last Sunday when the Government markers were placed upon the graves at Notre Dame of the Sisters of the Holy Cross who served as nurses in the civil war. The markers were placed by a representative of the War Department.

STONES FOR THE GRAVES.

Mrs. Ellen Ryan Jolly, LL.D., past National President of the Ladies' Auxiliary to the A. O. H., is the happy recipient of a communication from Quartermaster General Wood, stating that the first allotment of markers for the graves of men who served in the civil and Spanish-American wars has been sent to St. Mary's College, Indiana. The number of markers required by the Sisters of St. Mary's is eighty-seven. One will be placed at the head of each grave of the men who served on the battlefields during either the civil war or the Spanish-American war. This is the first of eighty groups which will be sent to different sections of the country, in point of fact, to every section, for there is no State in the Union which did not send its quota of nursing nurses to the battlefields.

DAUGHTERS OF ISABELLA.

The regular bi-monthly meeting of the Daughters of Isabella, Louisville Circle 84, will take place Sunday afternoon, December 7, at Knights of Columbus Hall at 3 o'clock.

## KNIGHTS OF COLUMBUS

Late News That Will Interest Members Here and Elsewhere.

Iowa has over 23,000 members.

John D. Kearney is now in harness as Lecturer for Newport Council.

Bishop Carroll Council at Covington has named John E. Lane as Lecturer for the ensuing year.

Indianapolis will hold a first degree initiation Monday night, for which a surprise has been promised.

About 100 candidates for membership in Hamilton county councils were initiated at Cincinnati the past week.

Thirty-five young men were received into the council at Sidney, Neb., being the seventh initiation this year.

Union Council at Syracuse had another third degree initiation Sunday. Last night a large class took the second.

Cedar Rapids had another busy day last week initiating thirty-two candidates, with thirteen more unable to be present.

The double initiation of candidates for Bishop Carroll Council on Saturday and Sunday served to attract a large number of visiting Knights to Covington.

The Knights at Middleton, Ohio, have purchased for \$30,000 the magnificent Crane home, at Fourth street and Curtis avenue, in the most attractive section of that city.

The Catholic Student Home, which is being built at the University of Missouri by the Knights of Columbus of Missouri, is nearing completion. It will be formally opened January 14.

The famous northern Kentucky team, under the leadership of Capt. Michael Rohan, of Lexington, did the honors at the Covington initiation in a manner not to be soon forgotten by the candidates, who voted Mike a prince.

Initiation of classes in the Blue Grass section of Kentucky are scheduled as follows: Lexington, December 7; Frankfort, December 14, and Paris, December 21. The noted northern Kentucky third degree team will participate in each.

AWARDED TO TINSLEY.

The handsome bungalow bed set, donated by Miss Fannie Caniffe to the church entertainment last month for the benefit of St. Aloysius church, has been awarded to A. O. Tinsley, 720 East Market street. This was one of the prizes that attracted most attention, being very pretty and artistic in every detail.

BRITISH INTIMIDATION.

Failing to stifle the Irish American sea traffic by outrageous treatment of American crews in Irish ports, Britain's latest move is an effort to intimidate the Moore-McCormack American steamship line running between Dublin and New York.

English steamship agents in Dublin have been ordered to refuse business to the line under penalty of losing the patronage of the British lines served by the same agencies. The result has been that already several vessels of the Moore-McCormack line have been obliged to make the return trip without cargoes. Notwithstanding these tactics, the Irish-American line is fighting back and has decided to open offices of its own in Dublin.
